ETHICAL HACKING INTERNSHIP

Submission Guidelines

What are things you have to submit?

Task 1:
Submit the screenshot of solved Portswigger labs .

Task 2:
Create a Presentation using Powerpoints or Google Slides, The slide should contain a screenshot of Netsparker found vulnerabilities, screenshot should contain the report which Netsparker generated so that we can check the difference between the actual and your submitted report.

You have to also add your own written report in the presentation.

Task 3:
For this task also you have to create a presentation, the ppt should contain your report, POC video and screenshot.

Where to submit your submission?
To submit your assignment you need to signup on Github and create a repository and add all of your files.

If you don't know how to create a github account and upload files, watch the tutorial here:
